

## **HAZARDOUS SUBSTANCE COMMUNICATION PROGRAM**

Midway School District (District) personnel shall be encouraged to make less dangerous substitutions for hazardous substances to the extent possible and to minimize the quantities of such substances stored on school property.

The District shall comply with all local, state, and federal laws and regulations that pertain to the safe and proper storage, transportation, and disposal of hazardous materials.

It is not the intent of the District to expand or modify the district's potential liability exposure through the implementation of this program. The district's voluntary compliance with any statute or regulation to which it is not otherwise subject shall not be construed to create or assume any potential liability under any local, state or federal law or regulation.
