

RESIGNATION

Resignations are only appropriate for terminating a continuing contract. All professional staff who have signed contracts with the Midway School District (District) are expected to fulfill the entire term of the contract.

Professional staff members who decide to leave the employ of the District at the end of their current contract are requested to submit a request to be released from a contract to the office of the Superintendent immediately upon making the decision. The request shall indicate clearly the date upon which it is intended to be effective. No resignation or release shall be deemed effective until it has been approved by the Midway School Board.
