Staff

Midway employs over fifty individuals. Most employees are certified faculty members, some of whom are assisted by aides. The rest of the staff consists of office workers, cooks, custodians, and bus drivers. Midway is fortunate to have a number of patrons who volunteer their time to help teachers and students in a variety of ways.

Enrollment:

Grades PK-12: 190

Technology

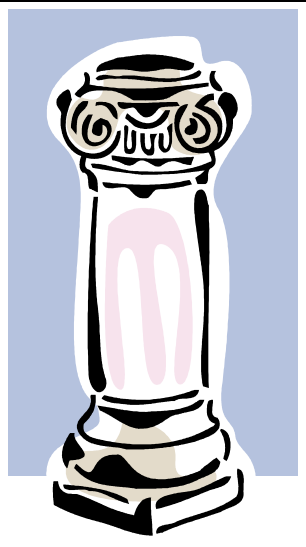

Midway is continuously working to expand and update its technology. The district has approved a special levy which largely supports this process. Grants and other sources are being constantly sought to supplement this levy. A technology committee is in place which works with all staff in an attempt to coordinate the growth of technology at Midway.

Mission Statement

The mission of Midway School is to assist students, in a safe and friendly environment, to learn necessary skills that will enable them to reach their individual potential and live healthy, productive, responsible lives in a changing world.

Background

The Midway School District was formed as a result of consolidations in the early 1960s. The district covers a geographical area that starts at the north end of the Grand Forks Air Force Base and extends into southern Walsh county. Seven small towns are situated in the district. The primary occupation in the area is in agriculture. The Midway school building is approximately forty miles from Grand Forks and thirty miles from Grafton.
